

For a happy and sustainable world

Help us take care of the planet

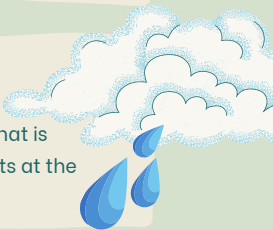

Enjoy the environment

Flora and fauna are there for your enjoyment. Treat them with respect and veneration.

Every drop counts

Reduce water consumption to what is necessary and turn off the faucets at the end of the day.

Turn off the light when you go out

We will contribute to minimize global warming of the planet

Minimize your waste

The impact on the ecosystem will thank you.
Reduce, reuse, recycle.

Expand your horizons

Enjoy our culture, gastronomy, customs and local products of Vallés Oriental.

Masia Can Viver

Committed to safeguarding the environment and the sustainable of Vallés Oriental
